Viewing the Course List

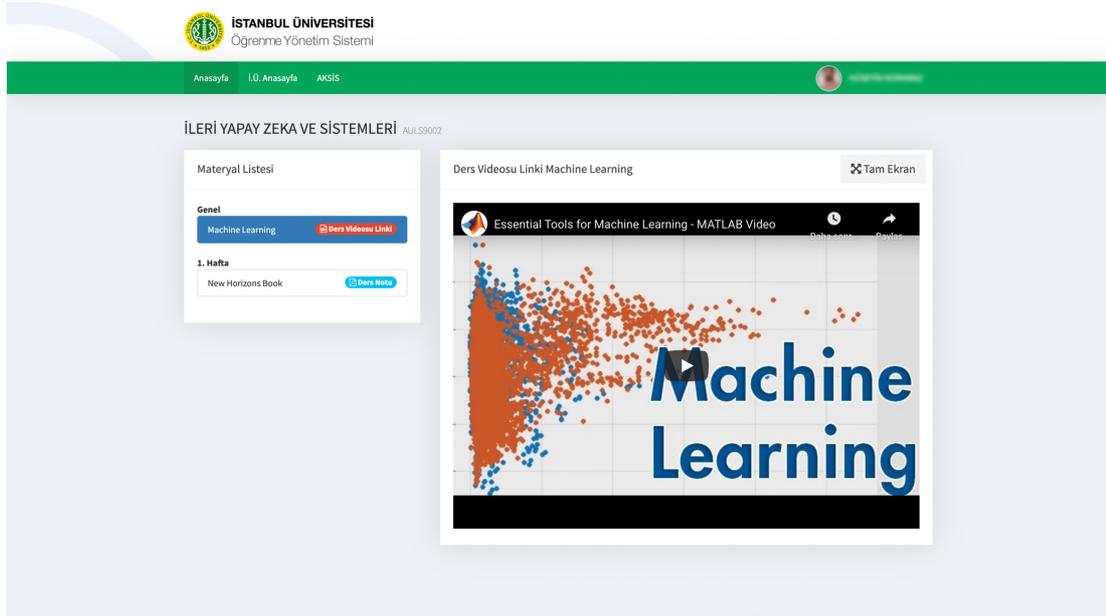

The courses for which you are responsible are listed on the screen.

In this screen:

The courses that have not been added yet contain the phrase "**No Content Yet**". Therefore, entrance to such courses is still **passive**.

In courses with added content, **the name of the instructor** is written and the content is accessed by clicking the "**Go to Class**" button.

Viewing the Course Content

When you click the Go to Class button and enter the screen where the content of that course is published, you will see **the Material List** in the left column and **the Display Area** in the right column.

In the Material List in the left column;

Weekly or general training content of the course,

In the Display Area in the right column;

The types of training content on the material list will appear.

This content can be displayed in the same size as they are in the picture or as in the desired size which can be obtained by clicking the **"Full Screen"** button.

If desired, you can download the material by clicking the **"download"** button or you can print the training content by clicking the **"Print"** button
